

OPENCART 2.3.X PEI PAYMENT PLUG-IN

Installation instructions

1. Choose 'Extension Installer' in 'Extensions' menu

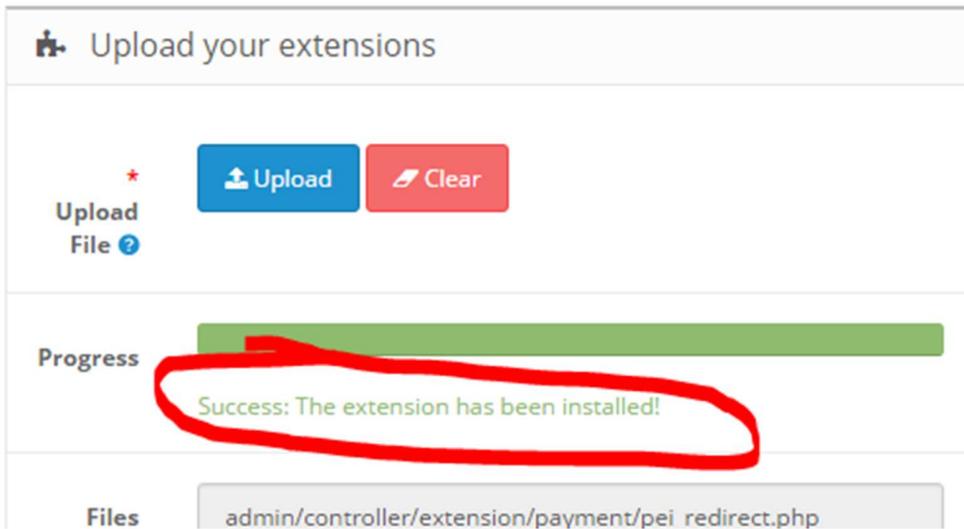

The screenshot displays the OpenCart 2.3.x administrator interface. At the top, the OpenCart logo and user information 'John Doe Administrator' are visible. The left sidebar contains a navigation menu with the following items: Dashboard, Catalog, Extensions, Extension Installer, Extensions, Modifications, Events, and Design. The 'Extensions' menu item is expanded, and the 'Extension Installer' sub-item is highlighted with a red circle. The main content area shows the 'Extension Installer' page, which includes a section for 'Upload your extensions' with 'Upload' and 'Clear' buttons, a progress bar, and a section for 'Files that will be overwritten'.

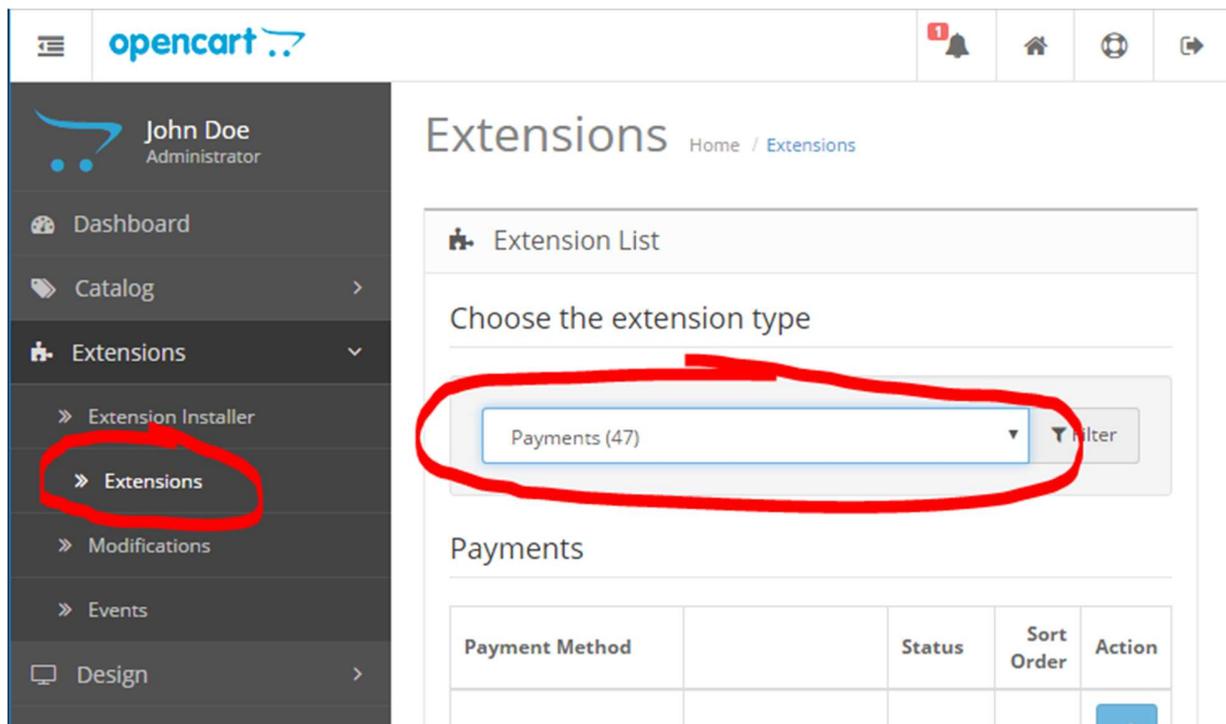

2. Click 'Upload', choose Pei installation zip file and click 'Continue'

The screenshot shows the OpenCart administrator interface. The top navigation bar includes the OpenCart logo, the user name 'John Doe Administrator', and several utility icons. The left sidebar contains a menu with options like Dashboard, Catalog, Extensions, Design, Sales, Customers, Marketing, System, and Reports. The main content area is titled 'Extension Installer' and features a section for uploading extensions. In this section, there is an 'Upload File' label, a blue 'Upload' button, and a red 'Clear' button. Below this is a progress bar. A box titled 'Files that will be overwritten' lists the following file paths:
admin/controller/extension/payment/pei_redirect.php
admin/model/extension/payment/pei_redirect.php
admin/language/en-gb/extension/payment/pei_redirect.php
admin/view/template/extension/payment/pei_redirect.tpl
catalog/controller/extension/payment/pei_redirect.php
catalog/view/theme/default/template/extension/payment/pei_redirect.tpl
catalog/language/en-gb/extension/payment/pei_redirect.php
catalog/model/extension/payment/pei_redirect.php
At the bottom of this section is a blue 'Continue' button. Both the 'Upload' and 'Continue' buttons are circled in red in the image.

3. After 'Success' message...

... go to 'Extensions' in 'Extensions' menu and choose type 'Payments'

4. Find 'Pei Redirect Payment Method' and click 'Install'

Payza		Disabled	 
Pei Redirect Payment Method		Disabled	 
Perpetual Payments		Disabled	 
			

5. Click 'Edit'

Pei Redirect Payment Method		Disabled	 
-----------------------------	--	----------	--

6. Configure your plug in. To have it working you have to remember to choose 'Production' in 'Transaction Mode' and set 'Status' as 'Enabled'. 'Order Status' and 'Geo Zone' depends on individual shop owner's configuration.

The screenshot shows the OpenCart administrator interface for John Doe. The sidebar menu includes Dashboard, Catalog, Extensions, Design, Sales, Customers, Marketing, System, and Reports. The main content area displays the following configuration fields:

- Merchant ID: 0000
- Client ID: user
- Secret: secret
- Transaction Mode: Production
- Order Status: Pending
- Geo Zone: All Zones
- Status: Enabled

Red circles highlight the Merchant ID, Client ID, Secret, Transaction Mode, and Status fields.
